EUTEACH AND UNESCO TRAINING WORKSHOPS (Nb. 1, 2, 3, 4, 5)

As part of the congress, the faculties of the Euteach teaching program (www.euteach.com) and UNESCO organize five training workshops for health professionals who want to improve their knowledge and skills in adolescent medicine and health (Euteach workshops 1,2,4 & 5 and Unesco workshop 3).. These highly interactive workshops cover various health topics and how to respond, taking into account the specific needs of adolescents. The participation is limited to 30 health professionals and is free. The five areas that will be covered are:

- *How to improve your communication skills with adolescents*
- *How to handle the follow-up of adolescent with chronic conditions, including transition*
- *How to empower youth towards wellbeing through youth led media*
- *How can schools become health promoting*
- *How to address situations that carry ethical concerns and dilemmas*

The participation to the workshops is free of charge, but participants need to register and acceptance will be made according to the order of subscription. Certificates of participation will be provided from Euteach and UNESCO.
