

17 Jun 2024, 08:00 → 21 Jun 2024, 20:00 Europe/Athens
 Ceremony Hall (Aristotle University of Thessaloniki (AUTH))

Monday, 17 June

08:00 → 10:00 **Registration and Welcome Coffee** Ceremony Hall

Welcome to the Thessaloniki ATLAS Week! Stop by to pick up your registration package and enjoy a cup of coffee with your colleagues! There will be a poster at the entrance of the building to guide you to the registration desk.

10:00 → 12:30 **Monday Morning**

- 10:00** **Special welcome talks** 1h
- Haralambos Feidas, Rector of the University 10'
 - Kyros Yakinthos, Vice Rector of Research and Innovation 5'
 - Hara Charalambous, Dean of Faculty of Sciences 5'
 - Stelios Aggeloudis, Mayor of Thessaloniki 10'
 - Athanasios Kyriazis, General Secretary for Research and Innovation (Ministry of Development) 10'
 - Perikles Mitkas, President of Hellenic Authority of Higher Education (Ministry of Education) 10'
 - Alexandra Ioannidou, Head of School of Physics 5'

11:00 **Organizers and Volunteer Welcome** 10'
11:15 **Welcome and introduction to ATLAS** 25'

Speaker: Andreas Hoecker (ATLAS Spokesperson, CERN)

11:45 **Report from the LHC Programme Coordination** 25'
12:15 **Status of the $\sin^2 \theta_w$ measurement** 10'

12:30 → 14:00 **--- lunch break ---** 1h 30'

14:00 → 15:40 **Monday Afternoon Part I**
 Reports from analyses and detector performance groups

15:40 → 16:10 **---coffee break---**

16:10 → 18:00 **Monday Afternoon Part II**
 Reports from analyses and detector performance groups

18:00 → 19:30 **Poster Session/Welcome Reception**
 Poster presenters can already come either during the lunch break or during the afternoon coffee break to set up their posters.

21:00 → 22:30 **Outreach event: A Suspense Story**
 In a central location: multi-cultural bar Ypsilon in the centre of the town

Tuesday, 18 June

09:00 → 10:20 **Tuesday Morning Part I**
 Reports from analyses and combined performance groups

10:20 → 10:50 **---coffee break---** 30'

10:50 → 12:00 **Tuesday Morning Part II**
 Reports from analyses and combined performance groups

12:00 → 14:00 **---lunch break---**

12:00 → 14:00 **CB Chair Advisory Group** small amphitheater across the main hall

14:00 → 15:20 **Tuesday Afternoon Part I** Ceremony Hall

15:20 → 15:50 **--- tea break ---** 30'

15:50 → 17:15 **Tuesday Afternoon Part II** Ceremony Hall

15:50 **Invited Theory Talk: SM EFT approach for vector boson scattering at the LHC**
Speaker: Prof. Athanasios Dedes (University of Ioannina) 40'

16:40 **Greek Cultural Presentation: The captivating antiquities from a pivotal sanctuary related to the royal house in Aigai, the first capital of the Macedonian Kingdom**

Speaker: Prof. Nancy Kyriakou, (A.U.Th) 30m

17:15 → **18:00** --- break --- 45m

18:00 → **20:30** **Public event: Celebrating Three Decades of Greek ATLAS**¶

18:00 **Greetings from University Dignitaries**¶10m

18:10 **Three Decades of Greek Contribution to the ATLAS Experiment**¶20m

18:30 **The Scientific and Social Contribution of Peter Jenni**¶15m

18:45 **Awarding of the Honoree by the Dean of the Faculty of Sciences**¶5m

On the occasion, the Dean of School of Sciences of the University will honour Peter Jenni for his contributions to science and his important role in the formation and follow-up contributions of the Greek ATLAS teams.

18:50 **Address by the Honoree** 15m

Speaker: Prof. Peter Jenni (Albert Ludwigs Universitaet Freiburg (DE))

19:05 --- break --- 10m

19:15 **Classical Music Concert**¶1h 10m

Classical concert by the New England Conservatory, directed by the Canadian Peter Jarvis

20:25 --- closing of the event --- 5m

Wednesday, 19 June

09:00 → **10:25** **Wednesday Morning Part I**¶ Ceremony Hall

Reports from analyses and detector performance groups

10:25 → **10:50** ---coffee break and group photo --- 25m

10:50 → **12:05** **Wednesday Morning Part II**¶ Ceremony Hall

Reports from analyses and software groups

12:05 → **13:00** ---lunch break--- 55m

13:00 → **18:00** --- Excursion --- 5h

Excursion to Aigai, the first capital of the Macedonian kingdom and an UNESCO world heritage site, which has a very high number of visitors on a daily basis. Lunch boxes will be provided before departure. Departure 13:00 from the Conference Hall.

Thursday, 20 June

09:00 → **10:25** **Thursday Morning Part I**

Reports from Inner Detector and Trigger groups for Phase II

10:25 → **10:55** ---coffee break--- 30m

10:55 → **12:25** **Thursday Morning Part II**¶ Ceremony Hall

Reports from Detector groups for Phase II

12:25 → **14:30** --- lunch break --- 2h 5m

12:30 → **14:30** **D&I Lunch** small amphitheater across the main hall

14:30 → **15:05** **Thursday Afternoon I**¶ Ceremony Hall

e/gamma Performance and Outreach groups

15:05 → **18:00** **Thursday Afternoon II: Collaboration Matters Session**¶ Ceremony Hall

15:05 **Outstanding Achievement Awards**¶30m

15:40 **Outside ATLAS Week in 2025**¶10m

15:55 --- tea break --- 25m

16:20 **Publications Committee Report**¶10m

16:35 **SCAB report**¶10m

17:00 **Attaining the set goals of the ATLAS Collaboration: a strategic discussion**¶1h

20:00 → **23:00** **Collaboration Dinner**

Friday, 21 June

09:00 → **10:10** **Friday Morning Part I**¶ Ceremony Hall

Reports from detector and physics groups

10:10 → **10:35** ---coffee break--- 25m

10:35 → **12:00** **Friday Morning Part II**¶ Ceremony Hall

Report from Computing and analyses groups

11:45

Close-out

Speaker: Andreas Hoecker (CERN)

12:00 → 13:00 -

-- lunch break --- 1h

13:00 → 16:25 (Collaboration Board)

17:00 → 20:00 **Optional Tour Friday afternoon (see Excursions section)**¶

17:00: Walking tour (optional) in the Ancient and Byzantine Thessaloniki by professional guides.
Departure Optional Tour Friday afternoon. Departure from the Conference Hall.
